

About us

Alin Elfen Electrical Enterprises is a level 2 BBBEE company which was established in 1998. Over the last 20 years we have grown to be a market leader in the medium voltage and generator maintenance field.

We have been in the forefront of execution of major electrical projects in the public as well as the private sector. Our high tech equipment and our highly skilled personnel helps us to deliver high quality projects in an efficient manner.

We are also proud of our efficient skills and development programme which gave birth to many qualified artisans.
